Millar Chair

Designed with Hospitals & Nursing Homes in Mind

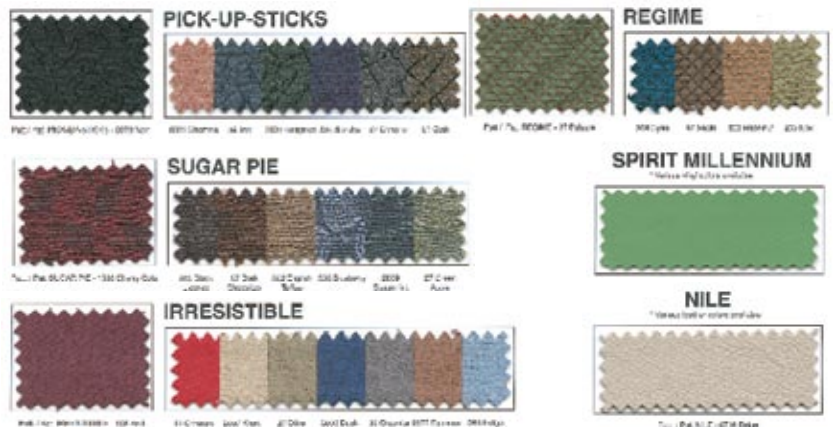

The Millar is a classic design, utilizing Oak in the chair frame, it serves as a solid and reliable chair for the elderly. Available with a serving tray and footrest for additional functionality. It's a tilter chair with a locking mechanism.

CHAIRS Limited offers Workplace Ergonomic Assessments to help ensure your workstation "works" for you.

Take advantage of our "Test Drive" program. When you come into our showroom and select the chair for you, we allow you to test drive the chair for a week to ensure it fits you like a glove.

Our chairs are manufactured in our Dartmouth, Nova Scotia manufacturing facility, and are backed by a solid 5 year limited warranty. We are ISO 9001:2000 Quality Certified, assuring our customers of consistently high quality products being delivered to their staff.

Our chairs are available in a variety of colour and fabric choices.
